Hi Guys -

Please find attached the final agreements that were completed today with the UFC. I will be checking them to ensure they are the same version as our last redline that was sent to them. They agreed all changes to the document that were provided by Phil with the exception of tickets - which will remain at 6. The UFC is asking whether we can alert Bellator tonight. I will forward the proposed UFC PR schedule and talking points by separate mail. They would like us to limit the communication to Bellator to the fact that Gil has signed with the UFC and the offer was superior to the Bellator offer. They did not want us to state that anything regarding matching.

After confirming that the document is the correct version, Gil will sign tonight around 8:30pm and I will forward the signed copies to the UFC with copy to Rod and Phil.

Rod and I are happy to discuss any comments. Thanks.

Best regards.
